RECEIVER'S MOTION TO APPROVE PRIVATE SALE OF REAL PROPERTY-6346 NEWTOWN CIRCLE #46A3, TAMPA, FLORIDA Burton W. Wiand, as receiver over the assets of the above-captioned Corporate Defendants and Relief Defendants (the "Receiver" and the "Receivership" or "Receivership Estate") moves the Court to approve the sale 6346 Newtown Circle #46A3, Tampa, Florida 33615 (the "Property") to FLTR, LLC as Trustee of the 6346 Land Trust (the "Buyer") for \$81,000. A copy of the Purchase and Sale Agreement and Addendum is attached as Exhibit 1 (the "Contract"). As explained below, the Receiver believes the proposed sale is commercially reasonable and will result in a fair and equitable recovery for the Receivership Estate.

BACKGROUND

At the request of the Securities and Exchange Commission ("SEC"), the Court appointed the Receiver on February 14, 2020 and directed him, in relevant part, to "[t]ake immediate possession of all property, assets and estates of every kind of the Corporate Defendants and Relief Defendants," which includes "all real property of the Corporate Defendants and Relief Defendants, wherever situated, and to administer such assets as is required in order to comply with the directions contained in this Order." Doc. 6 (the "Order") at p. 73, ¶ 1. The Court also ordered that "[t]itle to all property, real or personal, all contracts, rights of action and all books and records of the Corporate Defendants and Relief Defendants and their principals wherever located within or without this state, is vested by operation of law in the Receiver." Doc. 6 at p. 77, ¶ 17.

The Order also directs the Receiver to "[m]ake or authorize such payments and disbursements from the funds and assets taken into control, or thereafter received by the Receiver, and incur, or authorize the incurrence of, such expenses and make, or authorize the making of, such agreements as may be reasonable, necessary, and advisable in discharging the

Receiver's duties." Doc. 6 at p. 75 ¶ 8. EquiAlt Fund, LLC incurred expenses in renovating the Property and listed it for sale prior to the appointment of the Receiver. The Property is currently vacant and not generating any revenue while also incurring carrying costs such as insurance, HOA fees, and taxes.

The Procedures Applicable to Sales of Real Property

The procedures applicable to private sales of receivership real estate are set forth in 28 U.S.C. § 2001(b) ("Section 2001(b)"):

After a hearing, of which notice to all interested parties shall be given by publication or otherwise as the court directs, the court may order the sale of such realty or interest or any part thereof at private sale for cash or other consideration and upon such terms and conditions as the court approves, if it finds that the best interests of the estate will be conserved thereby. Before confirmation of any private sale, the court shall appoint three disinterested persons to appraise such property or different groups of three appraisers each to appraise properties of different classes or situated in different localities. No private sale shall be confirmed at a price less than two-thirds of the appraised value. Before confirmation of any private sale, the terms thereof shall be published in such newspaper or newspapers of general circulation as the court directs at least ten days before confirmation. The private sale shall not be confirmed if a bona fide offer is made, under conditions prescribed by the court, which guarantees at least a 10 per centum increase over the price offered in the private sale.

28 U.S.C. § 2001(b). The Receiver can move the Court to waive strict compliance with these procedures, but as explained below, the Receiver has substantially and materially complied with the statute.

3

¹ Section 2001(b) governs here because this is a private sale of real property and because 28 U.S.C. §§ 2001(a) and 2004 deal with public auctions and personal property, respectively.

The Property, the Receiver's Marketing Efforts, and the Proposed Sale

EquiAlt Fund, LLC, a Receivership entity, owned the Property until the Order appointed the Receiver, who took title to the Property. The Property was purchased with scheme proceeds – *i.e.*, money contributed to the scheme by victim investors. The Property has two bedrooms and two bathrooms.² It was built in 1979 and purchased by EquiAlt Fund, LLC in 2015 via tax deed.³ After purchase, substantial renovations were done to the Property. The initial list price for the Property was \$90,000. The sale price is only \$9,000 below the initial list price and is substantially above the approximate tax assessed value.

In compliance with Section 2001(b), the Receiver obtained valuations from three disinterested sources. The valuations consist of three opinions of value from licensed real estate professionals (collectively, the "Valuations"), which are attached as Exhibits 2-4. According to the Valuations, a reasonable sale price for the Property would be between \$74,500 and \$80,000. As demonstrated by these exhibits, the \$81,000 sale price exceeds this range and is thus fair and reasonable. The sale of the Property would constitute a \$81,000 gross recovery for the Receivership Estate. The average of the Valuations is \$78,167 and in compliance with Section 2001(b), the sale price of \$81,000 is substantially greater than two-thirds of that amount -i.e., \$52,111.

Section 2001(b) Publication

To satisfy the publication requirement of Section 2001(b), the Receiver will publish the terms of the sale for one day in the Tampa Bay Times, which is regularly issued and of general circulation in the district where the Property is located. A copy of the notice is attached as **Exhibit 5**. The Receiver will also publish this motion and the notice on his website – www.equialtreceivership.com. No less than 10 days after publication of the notice, the Receiver will inform the Court whether any potential purchaser submitted a "bona fide offer" as contemplated by Section 2001(b). Given these circumstances and the existence of a readyand-willing buyer, the Receiver believes that approval of the proposed sale pursuant to the Order and Section 2001(b) is commercially reasonable, fair and equitable, and will ensure a cost-effective recovery for the ultimate benefit of the Receivership Estate.

ARGUMENT

The Court's power to supervise an equity receivership and to determine the appropriate actions to be taken in the administration of the receivership is extremely broad. *S.E.C. v. Elliott*, 953 F.2d 1560, 1566 (11th Cir. 1992); *S.E.C. v. Hardy*, 803 F.2d 1034, 1038 (9th Cir. 1986). The Court's wide discretion derives from the inherent powers of an equity court to fashion relief. *Elliott*, 953 F.2d at 1566; *S.E.C. v. Safety Finance Service, Inc.*, 674 F.2d 368, 372 (5th Cir. 1982). A court imposing a receivership assumes custody and control of all assets and property of the receivership, and it has broad equitable authority to issue all orders necessary for the proper administration of the receivership estate. *See S.E.C. v. Credit Bancorp Ltd.*, 290 F.3d 80, 82-83 (2d Cir. 2002); *S.E.C. v. Wencke*, 622 F.2d 1363, 1370 (9th Cir. 1980). The court may enter such orders as may be appropriate and necessary for a receiver to fulfill his

duty to preserve and maintain the property and funds within the receivership estate. *See, e.g., Official Comm. Of Unsecured Creditors of Worldcom, Inc. v. S.E.C.*, 467 F.3d 73, 81 (2d Cir. 2006). Any action taken by a district court in the exercise of its discretion is subject to great deference by appellate courts. *See United States v. Branch Coal*, 390 F.2d 7, 10 (3d Cir. 1969). Such discretion is especially important considering that one of the ultimate purposes of a receiver's appointment is to provide a method of gathering, preserving, and ultimately liquidating assets to return funds to creditors. *See S.E.C. v. Safety Fin. Serv., Inc.*, 674 F.2d 368, 372 (5th Cir. 1982) (court overseeing equity receivership enjoys "wide discretionary power" related to its "concern for orderly administration") (citations omitted).

Given these principles, the Court should approve the proposed sale for at least five reasons. First, the Receiver is complying with Section 2001(b). Specifically, he obtained the Valuations, and the purchase price is within the estimates disclosed in those valuations. *See* Exs. 2-4. Section 2001(b) provides that "[n]o private sale shall be confirmed at a price less than two-thirds of the appraised value" – here, \$52,111 based on an average of the three highest valuations. The \$81,000 purchase price is well above that amount and *exceeds* one valuation, which values the Property at \$74,500. Shortly after filing this motion, the Receiver will publish notice of the proposed sale and its terms in the Tampa Bay Times. After the expiration of the 10-day statutory window, the Receiver will advise the Court whether any individual or entity submitted a "bona fide offer" – *i.e.*, an offer 10% higher than the current purchase price. If no one objects to this motion or submits a "bona fide offer," to conserve resources, the Receiver asks that the Court grant the motion without a hearing.

Second, as noted above, the purchase price represents a gross recovery of \$81,000 for the ultimate benefit of the Receivership Estate.

Third, the Property was listed for sale prior to the appointment of the Receiver, but the Receiver's independent evaluation of the transaction demonstrates that it is commercially reasonable. The Receiver is not aware of any other association between the Receivership entities and the Buyer. As such, this is an arm's-length transaction.

Fourth, the existence of a ready-and-willing Buyer will ensure an efficient and cost-effective recovery for the Receivership Estate, and in the Receiver's opinion, the sale price is at or near the maximum price that can be anticipated for the sale of this condominium.

Fifth, sale of the Property will eliminate the Receiver's need to pay for additional upkeep and carrying costs on the Property, including insurance, utilities, and repairs. If required to hold the Property, the Receiver would incur at least \$5,100 per year maintaining and safeguarding the Property.⁴ By selling the Property, the Receiver will avoid those costs.

CONCLUSION

For the reasons discussed above, the transaction is commercially reasonable, fair and equitable, and will ensure a cost-effective recovery for the ultimate benefit of the Receivership Estate. As such, the Receiver requests an order, in substantially the form attached as **Exhibit 6**:

(1) approving the transaction and the Contract and (2) ordering that the Receiver may transfer

⁴ This estimate includes condominium fees, HOA expenses, and taxes but does not include additional necessary expenses such as utilities and insurance coverage. The Property is currently vacant, and the Receivership is not generating any rental revenue from the Property.

title to the Property by Receiver's Deed to the Buyer, free and clear of all claims, liens, and encumbrances.

WHEREAS, EquiAlt Fund, LLC is a legal entity under the control of the Receiver pursuant to the Receivership Orders and it is the owner of the Property located at 6346 Newtown Circle #46A3 better known as Hillsborough County Property Appraiser's Parcel Folio Number: 005755-5162; and

WHEREAS, pursuant to the Receivership Orders, the Seller has been granted full power and authority to market and enter into an agreement to sell the Property;

WHEREAS, subject to approval by the Court, compliance with the publication requirements of 28 U.S.C. § 2001(b), and the non-receipt of a Bona Fide Offer (defined below), Seller desires to sell and Buyers desire to purchase the Property pursuant to the terms and conditions set forth herein, and,

WHEREAS, the Buyers desire to purchase the Property and Seller desires to sell the Property, all on the terms and conditions hereinafter set forth.

NOW THEREFORE, in consideration of the mutual covenants set forth herein and other good and valuable consideration, the Parties agree as follows:

AGREEMENT

- 1. Property: The Seller agrees to sell and convey, and Buyer agrees to purchase and pay for, all pursuant to the terms and conditions hereinafter set forth, the Property consisting of all of Seller's right, title, and interest in and to the Property, more particularly described on Exhibit "A" attached hereto. The Property shall include all appurtenant rights, privileges, and easements, all buildings and improvements, free from all encumbrances whatsoever, except restrictions and easements of record, zoning ordinances, and taxes and assessments, both general and special, not currently due and payable. PROPERTY SOLD "AS IS".
- **2.** Purchase Price & Contingencies: The Purchase Price shall be Eighty One Thousand Dollars (\$81,000.00).

This Agreement is contingent upon (1) compliance with the publication procedures required by 28 U.S.C. § 2001(b), and (2) the non-receipt by Seller of a bona fide offer, under conditions prescribed by the Court, as described in 28 U.S.C. § 2001(b) (a "Bona Fide Offer"). Buyers understand and acknowledges that 28 U.S.C. § 2001(b) prohibits the Court's approval and confirmation of the transaction contemplated by this Agreement if Seller receives a Bona Fide Offer. As such, upon receipt of a Bona Fide Offer, Seller shall have the exclusive right to terminate this Agreement, and Buyers' sole and exclusive remedy for such termination is limited to the return of its Earnest Money Deposit, as defined and set forth below. If the Seller does not receive a Bona Fide Offer after compliance with the publication procedures required by 28 U.S.C. § 2001(b), this Agreement is further contingent upon Seller obtaining an Order in substantially the form as Exhibit "B" attached hereto (the "Order") approving: (1) the sale of the Property described in Exhibit "A" to Buyers free and clear of all liens, claims, encumbrances, and restrictions as provided for in the order of the United States District Court approving this transaction and (2) Buyer's quiet enjoyment of all assets assigned to and assumed by Buyers (collectively, the "Contingencies").

In the event that Seller receives a Bona Fide Offer or the Court does not approve of the sale of the Property, i.e., if the Contingencies are not satisfied on or before the Closing Date, Buyers acknowledge and agree that its <u>sole and exclusive remedy</u> is to seek return of the Earnest Money Deposit, as defined below, from Seller. This Agreement, when duly executed by the Parties, constitutes the express waiver in writing of any other remedy, whether legal or equitable, that may be available to the Buyers.

3. Escrow Agent and Earnest Money Deposits: Najmy Thompson, P.L 3400 S. Tamiami Trail, Suite 201, Sarasota, FL 34239 shall serve as the Escrow Agent. Within three (3) business days after full execution of this Agreement by the Parties the Buyers shall deposit the sum of One Thousand Dollars (\$1,000.00) in readily available funds as an earnest money deposit ("Earnest Money Deposit") into the IOTA trust account of Najmy Thompson, P.L Subsequent to the satisfaction of the contingencies outlined in this Agreement, the Earnest Money Deposit shall only be refundable if the United States District Court refuses to approve the motion for sale or if the United States District Court approves the sale of the Property to a competing bidder.

Upon the satisfaction of the contingencies relating to an appraisal, financing and inspection, pending approval by the Court of this transaction the Buyers may not cancel the

transaction and any attempt thereto shall cause the deposit made pursuant to this contract to immediately become the property of the Receiver.

The Earnest Money Deposit shall be credited at Closing towards the Purchase Price to be paid to Seller by Buyers for the Property under the terms of this Agreement. The terms of this Agreement shall serve as the escrow instructions for this transaction.

- **Conditions of Escrow:** Seller shall, on or before the date of Closing, make reasonable efforts to obtain approval from The United States District Court, Middle District of Florida to sell the Property pursuant to the terms of this Agreement. After the satisfaction of the contingencies in this Agreement if the Buyers withdraw from this Agreement prior to the approval of the sale, or if the Court approves the sale of the Property pursuant to the terms of this Agreement and the Buyers fail to perform under this Agreement except as to any rights the Buyers may have under paragraphs 5, 8, 9 or 10, the Earnest Money Deposit shall be delivered immediately to Seller as liquidated damages for Buyer's failure to perform. In the event that the Court fails to approve this Agreement or the Buyer terminates the Agreement solely as provided for in paragraphs 5, 8, 9 or 10, this Agreement shall be null and void and of no further force and effect and neither Seller nor the Buyers shall have any further obligations hereunder to the other and the Earnest Money Deposit shall be delivered immediately to Buyers. Should Seller fail to perform any obligation under this Agreement for any other reason, the Buyers' sole remedy shall be to seek return of all funds deposited in connection with this Agreement.
- 5. No Financing Contingency: Buyer agrees that there shall be no financing contingency associated with this Agreement. Buyer agrees that this is an ALL CASH purchase and there shall be no financing contingency. Buyer shall supply Seller with proof of purchasing funds within three (3) business days after full execution of this Agreement by the Parties.
- Closing and Closing Agent: Unless extended by mutual agreement of the Parties, Closing shall take place within thirty (30) days after The United States District Court, Middle District of Florida's approval of the sale, with Buyers to provide written notice specifying the actual closing date at least three (3) business days before such closing date. All funds and documents required to be deposited hereunder shall be deposited into escrow prior to Closing. The term "Closing" as used herein shall mean the date all contingencies provided in this Agreement shall be satisfied or waived by written instrument and the date the Receiver's Deed in substantially the form as Exhibit "B" attached hereto has been recorded. Najmy Thompson, P.L. shall serve as the Closing Agent.
- 7. <u>Conveyance of Title</u>: When the funds to be paid by Buyers together with all documents required to be deposited by Buyers pursuant to this Agreement have been deposited into escrow, then Seller shall deliver into escrow title to the Property. Seller will convey title via Receiver's Deed in substantially the form as Exhibit "B" attached hereto.
- 8. Evidence of Title, Survey and Closing Costs: Buyers, at Buyers' cost and expense, may obtain evidence of title, a title abstract, title insurance and/or a survey of the Property. At Closing, Buyers shall pay: (i) all title examination fees; (ii) survey costs or any costs

to update surveys; (iii) to update recording costs on documents necessary for Seller to clear title (to the extent such action is required); (iv) any premiums for a title insurance policy; (v) all transfer taxes payable in connection with the delivery for recording of any title transfer instrument or document by Seller provided in or contemplated by this Agreement; (vi) all charges for escrow services; (vii) all survey and appraisal costs; (viii) mortgage taxes (if any); (ix) the cost of any environmental reports; (x) all fees of the Closing Agent; and (xi) Buyers' legal, accounting and other professional fees and expenses and the cost of all certificates, instruments, documents and papers required to be delivered, or to cause to be delivered, by Buyer hereunder, including without limitation, the cost of performance by Buyer and the obligations hereunder.

At Closing, Seller shall pay: (i) Seller's legal, accounting and other professional fees and expenses and the cost of all certificates, instruments, documents and papers required to be delivered, or to cause to be delivered, by Seller hereunder, including without limitation, the cost of performance by Seller of its obligations hereunder.

Except as otherwise expressly provided for in this Agreement, Buyers shall be responsible for any and all other costs and expenses, regardless of custom or practice in the county where the Property is located, in connection with the consummation of this Agreement.

9. <u>Condition of Premises and Inspection Period:</u> Buyers acknowledge and agree to purchase the property on an "As Is" "Where Is" basis, with all faults and without representations, express or implied, of any type, kind, character or nature, including but not limited to the suitability of the Property for any use, and without warranties, express or implied, of any type, kind, character or nature, including but not limited to, suitability of the Property for any use, and without recourse, express or implied, of any type, kind, character or nature.

With prior notice to and approval from Seller, Seller does hereby grant to Buyers and their authorized agents the right, at Buyers' sole risk, cost and expense, for a period of ten (10) days from the date of this Agreement (the "Inspection Period") to enter the Property to inspect, examine, and survey the Property and otherwise do that which, in the opinion of Buyers, is reasonably necessary to determine the boundaries and acreage of the Property, the suitability of the Property for the uses intended by Buyers, and to determine the physical condition of the Property. Buyers agree to indemnify and hold Seller harmless from and against any and all liabilities, claims, losses or damages arising directly or indirectly from negligence in conducting Buyer's inspection and examination of the Property (but not from any effect upon value or marketability of the Property), and this indemnity and hold harmless provision shall survive Closing or the termination of this Agreement. Buyers shall promptly deliver to Seller copies of the results of all of Buyers' inspections, appraisals and/or examinations. If, at the conclusion of the Inspection Period, Buyers should notify Seller in writing that Buyers, for whatever reason, desires not to proceed with this purchase, this Agreement shall be deemed null and void, escrow shall be canceled, and the full Earnest Money Deposit with no deductions shall be returned to Buyers without any interference or further instruction or authorization from Seller.

- 10. <u>Damage or Destruction:</u> In the event the Property, or any portion thereof, is damaged or destroyed by fire or other cause prior to the date of transfer of title, Buyers may declare this Agreement null and void or Buyers may complete the purchase and receive the proceeds from any insurance otherwise payable to or for the benefit of Seller with respect to such destruction, together with a credit against the purchase price for any "deductible" under such insurance. If Buyers declare this Agreement null and void due to damage or destruction as described in this Paragraph 10, the Earnest Money Deposit shall be delivered immediately to Buyers.
- 11. <u>Taxes, Assessments & Utilities</u>: Real Estate Taxes, assessments, if any, and any assessments, insurance premiums, charges, and other items attributable to the Property shall be prorated as of the date of Closing, based upon an actual three hundred and sixty five (365) day year, as is customary. Meters for all public utilities (including water) being used on the Property shall be ordered read on the day prior to closing and all charges to said date shall be paid by Seller.
- 12. Real Estate Brokers: Seller and Buyer represent and warrant each to the other that they have not dealt with any real estate broker, sales person or finder in connection with this transaction, except for C. Alex Ellis of A Better Life Realty LLC ("Seller's Agent") and Howard Pena of Pier Ridge Realty ("Buyers' Agent"). At Closing, Seller agrees to a two and a half percent plus two hundred and ninety-five dollars (2.5%+\$295) commission Seller's Agent pursuant to a separate written agreement by and between Seller and Seller's Agent. Seller agrees to a Two and a quarter percent less two hundred and ninety-five dollars (2.25% \$295) commission to Buyer's Agent. VII. LIST PRICE

Suggested As-Is List Price is the most probable price in which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby: (1) buyer and seller are typically motivated; (2) both parties are well informed or well advised, and each acting in what he considers his own best interest; (3) a reasonable time is allowed for exposure in the open market; (4) payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and (5) the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale.

Suggested As-Is List Price: \$ 81000.00

Suggested As-Repaired Value: \$ 74500.00

Must be completed on all non-HUD REO Assets (HUD assets do not require the 30 day value):

30-Day As-Is Value: \$ 72000.00

30-Day As-Repaired Value: \$ 72000.00

COMMENTS:

(Include specific positives/negatives, unique features, special concerns, encroachments, easements, water rights, environmental concerns, flood zones, etc.)

The subject cabinets, counter tops and fixtures are builders grade quality but in good shape. Adjustments needed to be made since all comparable properties have been updated with higher end materials.

LISTING COMPARABLE COMMENTS:

Why are the comparable listing superior or inferior to the subject?

Although comparable listing #3 has been on market 119 days, no adjustment was made due to a recent price decrease and unit is currently
under contract. More weight was given to comparable #1 and #2 since they were similar to subject in size and room count. Adjustments
needed to be made to comparable #2 to account for a 2 year old updated A/C and new Hot water heater. This listing also would appear to
be slightly over-priced.

SALES COMPARABLE COMMENTS:

Why are the comparable listing superior or inferior to the subject?

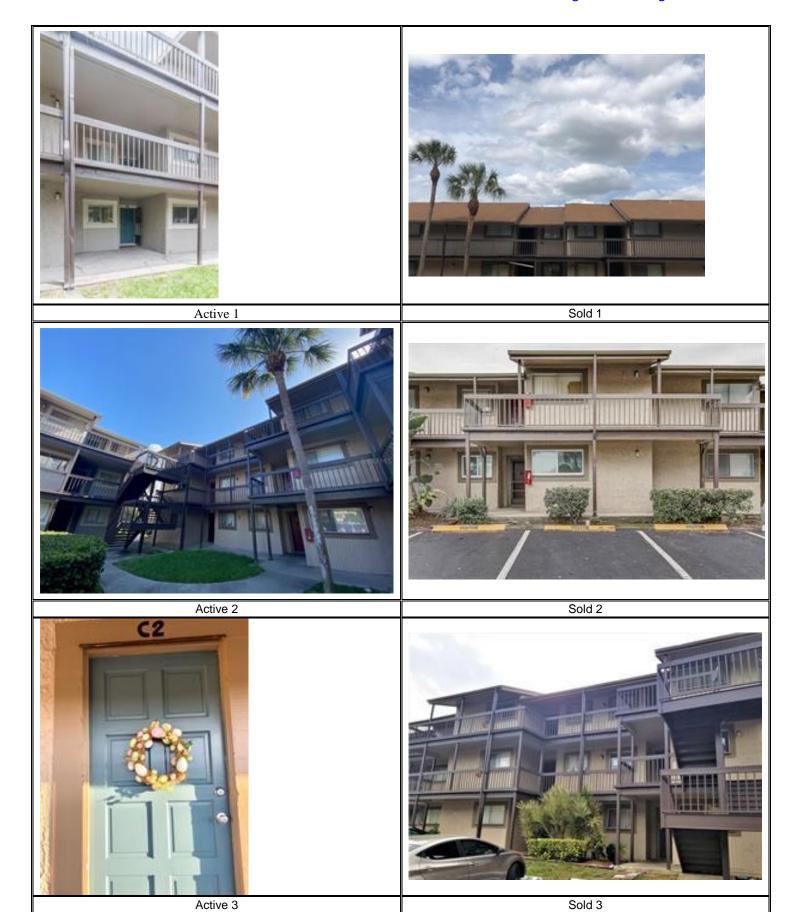

All comparable properties were similar in room count and size. Adjustments did need to be made for condition since all have been updated
with higher end features.

The undersigned appraiser has performed a desktop valuation of the subject property. No physical inspection of the subject property was performed. PURPOSE OF APPRAISAL: The purpose of this appraisal is to estimate the market value of the real property that is the subject of this report based upon a qualitative sales comparison analysis for use in a mortgage finance transaction.

INTENDED USE: This appraisal is intended for use only by the client and/or its subsidiaries. The purpose of this appraisal is to help the client analyze the risk associated with making a loan on the subject property. INTENDED USER(S): The intended user(s) of this appraisal report is the Lender/Client named herein, or its successors and assigns.

HIGHEST AND BEST USE: The Highest and Best Use of the subject property is assumed to be its present use; that is, one-four (1-4) family residential use.

DEFINITION OF MARKET VALUE: The most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably and assuming the price is not affected by undue stimulus. Overall Comparison to Subject Property

CERTIFICATIONS AND LIMITING CONDITIONS

SCOPE OF WORK: The scope of this appraisal consists of identifying the characteristics of the subject property that are relevant to the purpose and intended use of the appraisal. This may be accomplished by reviewing public record data, prior appraisal or other documentation from a disinterested source and which is considered reliable from the appraiser's perspective. Unless otherwise noted in the appraisal, no interior or exterior inspection of the subject property has been made. In developing this appraisal, the appraiser has incorporated only the Sales Comparison approach. The appraiser has excluded the Cost and Income approaches as not being relevant, given the agreed upon Scope of Work. The appraiser has determined that this appraisal process is not so limited that the results of the assignment are no longer credible, and the client agrees that the limited service is appropriate given the intended use. The data sources for the comparable sales may include public record data services, multiple listing services, automated valuation models and/or other data sources that become available. The confirmation of comparable sale data, i.e. closed sale documentation and property characteristics, is via public data sources only. The appraiser has not viewed the sales in the field. The data is collected, verified and analyzed, in accordance with the scope of work identified and the intended use of the appraisal. The appraiser acknowledges that an estimate of a reasonable time for the exposure in the open market is a condition in the definition of market value. The subject's marketing time is assumed to be typical for the subject's market area unless otherwise stated.

In the absence of an inspection, the appraiser has made some basic assumptions, including the following:

- 1. The subject property is assumed to be in average overall condition and generally conforms to the neighborhood in terms of style, condition and construction materials.
- 2. There are no adverse environmental conditions (hazardous wastes, toxic substances, etc.) present in the improvements, on the site, or in the immediate vicinity of the subject property.
- 3. There are no significant discrepancies between the public record information or other data sources and the existing site or improvements.

ANALYSIS OF ANY CURRENT AGREEMENT OF SALE, PRIOR SALE WITHIN THREE YEARS AND RECONCILIATION: Unless otherwise noted, the appraiser has no knowledge of any current agreement of sale nor any current or past listing agreement. Prior sales of the subject property within three years of the effective date of this appraisal have been researched and reported, if available from public record sources. The appraiser has reconciled the quality and quantity of data available into an Opinion of Market Value, in accordance with the intended use and scope of work.

STATEMENT OF CONTINGENT AND LIMITING CONDITIONS: The Appraiser's Certification that appears in this report is subject to the following conditions:

- 1. The appraiser will not be responsible for matters of a legal nature that affect the subject property.
- 2. The appraiser assumes the title is good and marketable and, therefore, will not render any opinions about the title. The property is appraised on the basis of it being under responsible ownership.
- 3. The appraiser will not give testimony or appear in court because he or she performed this appraisal unless specific arrangements to do so have been made beforehand.
- 4. Except as noted herein, the appraiser has not made an exterior or interior inspection of the subject property. The appraiser assumes that there are no adverse conditions associated with the improvements or the subject site. Unless otherwise stated in this report, the appraiser has no knowledge of any hidden or apparent conditions of the property or adverse environmental conditions (including the presence of hazardous wastes, toxic substances, etc.) present in the improvements, on the site or in the immediate vicinity that would make property more or less valuable, and has assumed that there are no such conditions. The appraiser makes no guarantees or warranties, express or implied, regarding the condition of the property. The appraiser assumes that the improvements are in average condition. The appraiser will not be responsible for any such conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. Because the appraiser is not an expert in the field of environmental hazards, the appraisal report may not be considered an environmental assessment of the property.
- 5. The appraiser obtained the information, estimates, and opinions that were expressed in the appraisal report from sources that he or she considers reliable and has no reason to believe them to be other than true and correct. The appraiser does not assume responsibility for the accuracy of such items that were furnished by other parties.
- 6. The appraiser will not disclose the content of the appraisal report except as provided for in the Uniform Standards of Professional Appraisal Practice.

APPRAISER'S CERTIFICATION: The appraiser certifies, to the best of my knowledge and belief:
