RECEIVER'S FIFTH QUARTERLY FEE APPLICATION FOR ORDER AWARDING FEES, COSTS, AND REIMBURSEMENT OF <u>COSTS TO RECEIVER AND HIS PROFESSIONALS</u>

Burton W. Wiand, the Court-appointed Receiver over the corporate

Defendants and all Relief Defendants (the "Receiver" and the "Receivership"

or "Receivership Estate") pursuant to the Court's Order dated February 14,

2020 (Doc. 11) (the "Order Appointing Receiver"),¹ respectfully submits this Fifth Quarterly Fee Application to the Court for the entry of an order awarding fees and the reimbursement of costs to the Receiver and his professionals. This Application covers all fees and costs incurred from January 1, 2021 through March 31, 2021. A Standardized Accounting Report (the "Accounting Report") from January 1, 2021 through March 31, 2021 is attached as <u>Exhibit 1.²</u>

Since the appointment of the Receiver, he and those he has retained to assist him have engaged in substantial and continuing efforts for the benefit of the Receivership. During the time covered by this Application, among other things, the Receiver and his professionals have done the following:

- Worked extensively with SEC and counsel for Brian Davison toward resolution of disgorgement amount and settlement of Receiver's claims;
- Continued to pursue claims against EquiAlt law firms. Began preliminary efforts for proposed mediation in August and defended against Law Firm Defendants' efforts to undermine Receiver's claims by seeking to thwart Receiver's choice of forum and move California litigation to Florida;

¹ The "Receiver" and the "Receivership" or "Receivership Estate" has been expanded to include not only the Corporate and Relief Defendants but also the following entities: EquiAlt Qualified Opportunity Zone Fund, LP; EquiAlt QOZ Fund GP, LLC; EquiAlt Secured Income Portfolio REIT, Inc.; EquiAlt Holdings LLC; EquiAlt Property Management LLC; and EquiAlt Capital Advisors, LLC (Doc. 184, at 6-7) and EquiAlt Fund I, LLC (Doc 284).

² The Securities and Exchange Commission ("SEC" or the "Commission") provided the Receiver with detailed Billing Instructions for Receivers in Civil Actions Commenced by the Commission (the "Billing Instructions"). The Accounting Report is one of the requirements contained in the Billing Instructions.

- Sought and obtained approval from the Court for the sale of the following properties and garnered these net proceeds:
 2111 W. St. Louis Street, Tampa \$196,000;
- Completed the construction of and entered into sales agreement for 3914½ North Ridge Avenue, Tampa \$820,000 (closed April 15, 2021);
- Completed the construction of and entered into an agreement to sell 2 Bahamas Circle property in Tampa for \$3,950,000;
- In January 2021, Receiver sought the settlement of clawback claims of false profits received by certain EquiAlt investors;
- In February 2021, the Receiver filed clawback claims against 123 EquiAlt investors who received \$2,729,829 in false profits;
- Secured approximately \$1.2 million in provisional settlements with investors who received false profits;
- In February 2021, the Receiver filed fraudulent transfer/unjust enrichment claims against 20 sales agents and their corresponding corporate entities seeking recovery of commissions paid in the total amount of \$18,934,950;
- Successfully moved the Court to expand the Receivership to include EquiAlt Fund I (now defunct entity) and those properties which were still titled in the name of EquiAlt Fund I;
- Engaged in extensive efforts to market additional real estate properties and develop plans for marketing properties in an efficient and cost-effective manner;
- Continued efforts to sell exotic automobiles;
- Entered into agreements for the continued renovation of Jasmine Way property in Clearwater;
- Worked extensively with partners on the operations of Commerce Brewing and related entities;

- Continued development plans for St. Petersburg commercial land;
- Continued ongoing efforts to propose claims process to the Court as well as consolidation of Receivership operations;
- Entered into a listing agreement to sell New York City condominium for a listing price of \$2,395,000; and
- Continued work to streamline Receivership administration and manage EquiAlt operations, including maintenance and leasing of over 300 real estate properties.

The above activities are discussed in more detail in the Receiver's Fifth Quarterly Status Report which was filed on June 1, 2021 (Doc. 319) (the "Quarterly Status Report"). The Quarterly Status Report contains comprehensive and detailed information regarding the case background and status; the recovery of assets; financial information about Receivership Entities; the Receiver's proposed course of action regarding assets in the Receivership Estate; the potential establishment of a claims process; and related (or contemplated) litigation involving Receivership Entities. The Quarterly Status Report addresses all activity that resulted in the fees and costs sought in this motion and is incorporated herein.

Case Background

As of the date of filing this Application, the Court has appointed Burton W. Wiand as Receiver over the assets of the following entities:

a) Defendants EquiAlt LLC; EquiAlt Fund, LLC; EquiAlt Fund II, LLC; EquiAlt Fund III, LLC; and EA SIP, LLC;

- b) Relief Defendants 128 E. Davis Blvd, LLC; 310 78th Ave, LLC; 551 3D Ave S, LLC; 604 West Azeele, LLC; 2101 W. Cypress, LLC; 2112 W. Kennedy Blvd, LLC; 5123 E. Broadway Ave, LLC; Blue Waters TI, LLC; BNAZ, LLC; BR Support Services, LLC; Bungalows TI, LLC; Capri Haven, LLC; EA NY, LLC; EquiAlt 519 3rd Ave S., LLC; McDonald Revocable Living Trust; Silver Sands TI, LLC; TB Oldest House Est. 1842, LLC;
- c) EquiAlt Qualified Opportunity Zone Fund, EquiAlt QOZ Fund GP, LLC, EquiAlt Secured Income Portfolio REIT, Inc., EquiAlt Holdings LLC, EquiAlt Property Management LLC, and EquiAlt Capital Advisors, LLC ("REIT and QOZ Entities"); and
- d) EquiAlt Fund I LLC.

See Docs. 11, 184, and 284. The foregoing entities are collectively referred to as the "Receivership Entities." On February 11, 2020, the Securities and Exchange Commission ("SEC") filed a complaint (Doc. 1) against the Defendants and Relief Defendants. The complaint charges the Defendants with violations of the federal securities laws and regulations in connection with a real estate Ponzi scheme. The SEC alleges that from January 2010 to November 2019, EquiAlt raised more than \$170 million from approximately 1100 investors to invest in three separate real estate funds. The SEC alleges that EquiAlt misrepresented the use of the proceeds of the investments and that Defendants Davison and Rybicki, who controlled the operations of the corporate Defendants, misappropriated monies from EquiAlt to the detriment of the investors. As directed by the Court (see Doc. 11 \P 2) and discussed in the earlier Quarterly Status Reports, the Receiver is conducting an independent investigation of the Receivership Entities and their operations.

There is abundant evidence that supports the allegations that the Defendants were operating a fraudulent investment scheme.

Professional Services Rendered and Costs Incurred

The Order Appointing Receiver authorizes the Receiver to "solicit persons and entities ('Retained Personnel') to assist him in carrying out the duties and responsibilities described in this Order" and states that the "Receiver and Retained Personnel are entitled to reasonable compensation and expense reimbursement from the Receivership Estates," subject to approval by the Court. See Doc. 11 ¶¶ 31, 32. The Order Appointing Receiver also requires that the Receiver obtain the Court's authorization of the retention of any Retained Personnel. See Doc. 11 ¶ 31. Paragraph 6 of the Order Appointing Receiver provides for the Receiver to engage persons "to assist the Receiver in carrying out the Receiver's duties and responsibilities, including . . . accountants" To that end, the Receiver retained PDR CPAs ("PDR") to assist with general accounting and tax services for the Receivership as well as provide accounting oversight for the operations of the Receivership entities. The Receiver filed an unopposed motion to approve the retention of PDR on April 9, 2020, which the Court granted on May 11, 2020 (Doc. 85).

The Order Appointing Receiver also specifically authorized the Receiver to retain (1) Wiand Guerra King P.A., now known as Guerra King

6

P.A., ("GK") to provide legal services; (2) Yip Associates ("Yip") to provide forensic accounting services; (3) E-Hounds, Inc. ("E-Hounds") to provide computer forensic services; (4) RWJ Group, LLC ("RWJ") to provide asset management and investigative services;³ (5) Freeborn & Peters LLP ("Freeborn") to provide legal services relating to information technology; (6) Baskin PLC ("Baskin"),⁴ legal counsel in Arizona, to assist in the service of the Order Appointing Receiver and securing records and assets; and (7) Digital Acuity LLC ("Digital Acuity"), forensic investigators in Arizona, to assist in securing records.⁵ See Doc. 11 ¶¶ 3, 16.⁶ (Doc. 88). On March 10, 2021, the Receiver filed a motion for leave to retain Johnson, Cassidy,

³ RWJ is no longer providing services to this Receivership at this time.

⁴ Baskin PLC was formerly Baskin Richards PLC.

⁵ Digital Acuity aided the Receiver with the imaging of the hard drives and other computer equipment at the EquiAlt offices in Arizona. This was a one-time expense for the Receivership, and thus, Digital Acuity is no longer providing services to the Receivership.

⁶ On June 26, 2020, the Receiver filed a motion for leave to retain Johnson Pope Bokor Ruppel & Burns, LLP ("Johnson Pope") on a contingency fee basis to investigate and pursue claims against law firms that provided services to EquiAlt, LLC or another Receivership Entity (Doc. 121), which the Court granted on July 1, 2020 (Doc. 127). In addition to agreeing to work on a contingency fee basis as outlined in the motion to retain Johnson Pope, the firm has also agreed to advance costs subject to reimbursement from any recovery with the exception of costs associated with E-Hounds and Yip Associates. Any costs incurred by Yip Associates and E-Hounds in connection with Johnson Pope's investigation and any eventual litigation will be included in the invoices for these two professionals in the Receiver's fee applications. As with any contingency fee arrangement, Johnson Pope is only entitled to payment if it procures a successful resolution of the Receiver's potential claims.

Newlon & DeCort ("JCND") as co-counsel (Doc. 278).⁷ The Court granted this motion on March 26, 2021 (Doc. 282). All of the foregoing and PDR are collectively, the "Professionals."

As described above and more fully in the Quarterly Status Report, the Professionals have provided services and incurred expenses to investigate the affairs of the Receivership Entities, preserve Receivership assets, attempt to locate and recover additional assets, and analyze investor information for an eventual claims process and litigation. The Receivership is also selling certain assets and properties and preserving those proceeds for the benefit of the victim investors. While the Receiver and his professionals are investigating and locating and preserving assets for the benefit of defrauded investors, they are also continuing to operate the Receivership Entities. This case involves over 1100 investors and over \$170 million in investments. The Receiver is responsible for the active management of over 300 properties, the assessment of pending construction and maintenance projects, as well as supervising employees and property managers. The services provided by the

⁷ Katherine Donlon, formerly of Guerra King, has been acting as lead counsel for the Receiver for this matter. Ms. Donlon left Guerra King and joined Johnson Cassidy, a litigation firm with extensive experience in federal court practice. Other professionals at Guerra King who have also been providing legal services to the Receiver for this matter have remained at Guerra King. Given Ms. Donlon's knowledge regarding this matter, the Receiver determined that it is in the best interests of the Receivership and the defrauded investors that both Ms. Donlon and other professionals at her new firm and the professionals at Guerra King continue to provide legal services to the Receiver. The Receiver does not anticipate that there will be duplication of services provided by the two firms.

Receiver and his professionals are for the benefit of aggrieved investors, creditors, and other interested parties.

I. <u>The Receiver.</u>

The Receiver requests the Court award him fees for the professional services rendered from January 1, 2021 through March 31, 2021, in the amount of \$37,836.00. The standard hourly rate the Receiver charges clients in private litigation is \$500. However, the Receiver agreed, for purposes of his appointment as the Receiver, that his hourly rate would be reduced to \$360, representing nearly a thirty percent discount off the standard hourly rate which he charges clients in comparable matters. This rate was set forth in the Receiver's submission to the SEC. *See* Doc. 6, Ex. 1.

The Receiver commenced services immediately upon his appointment. The Receiver has billed his time for these activities in accordance with the Billing Instructions, which request that this motion contain a narrative of each "business enterprise or litigation matter" for which outside professionals have been employed. The Billing Instructions identify each such business enterprise or litigation matter as a separate "project." Further, the Billing Instructions request that time billed for each project be allocated to one of several Activity Categories.⁸ In addition to the work of the Receivership, the Receiver created two projects related to clawback litigation commenced on February 13, 2021.

A. The Receivership.

For the time covered by this motion, the work of the Receiver and GK focused on investigating the fraud and related activities, locating and taking control of Receivership assets, investigating and pursuing additional assets for the Receivership, and analyzing investor information for an eventual claims process and litigation. These activities of the Receiver are set forth in detail in the Quarterly Status Report. Doc. 319. A copy of the statement summarizing the Receiver's services rendered for the Receivership is attached as <u>Exhibit 2</u>. The Receiver's time and fees for services rendered for

⁸ The Activity Categories set forth by the Commission in the Billing Instructions are as follows: (1) Asset Analysis and Recovery, which is defined as identification and review of potential assets including causes of action and non-litigation recoveries; (2) Asset Disposition, which is defined as sales, leases, abandonment and related transaction work (where extended series of sales or other disposition of assets is contemplated, the Billing Instructions provide that a separate category should be established for each major transaction); (3) Business Operations, which is defined as issues related to operation of an ongoing business; (4) Case Administration, which is defined as coordination and compliance activities, including preparation of reports to the court, investor inquiries, etc.; (5) Claims Administration and Objections, which is defined as expenses in formulating, gaining approval of and administering any claims procedure; and (6) Employee Benefits/Pensions, which is defined as review issues such as severance, retention, 401K coverage and continuance of pension plan. The Billing Instructions provide that time spent preparing motions for fees may not be charged to the Receivership Estate. In accordance with these instructions, the Receiver created an additional Activity Category for work on fees motions and has accounted for time spent on such work but has not charged any amount for that work.

B. Discrete Projects.

In conjunction with the Receivership, the following two discrete projects have been formally commenced by the Receiver.

1. Recovery of False Profits from Investors.

This is a project involving the Receiver's efforts to recover false profits from investors whose purported accounts received monies in an amount that exceeded their investments. (*See also* Doc. 319 at 31.) These purported profits were false because they were not based on any investment gain, but rather were fruits of a Ponzi scheme that consisted of funds of new and existing investors. The Receiver engaged in a pre-suit resolution process with investors who received such false profits. The pre-suit resolution process was fruitful, as discussed in the Quarterly Status Report. However, many investors did not take advantage of the opportunity afforded by this process. On January 20, 2021, the Receiver moved the Court for authority to file clawback litigation. Doc. 255. The SEC did not object to the motion and no oppositions were filed. On February 13, 2021, the Receiver filed a clawback complaint against 123 EquiAlt investors who received \$2,729,829 in false profits combined. The Receiver proceeded with filing this complaint to avoid any possible statute of limitations concerns. A copy of the statement summarizing the Receiver's services rendered for this project from January 1, 2021 through March 31, 2021 is attached as <u>Exhibit 3</u>. The Receiver's time and fees for services rendered for each Activity Category are as follows:

<u>Recovery from Investors</u> Receiver's Time and Fees for Services Rendered

| | Hours | Fee |
|--------------------|----------|------------|
| Activity Category | Expended | Amount |
| Asset Analysis and | | |
| Recovery | 7.70 | \$2,772.00 |
| TOTAL | 7.70 | \$2,772.00 |

2. Clawback Litigation Against Non-Investors.

This is a project involving the Receiver's clawback litigation against former principals and employees of EquiAlt and sales agents who received commissions for the sale of EquiAlt debentures. (*See also* Doc. 319 at 32.) On January 28, 2021, the Receiver moved the Court for authority to file this clawback litigation. Doc. 258. The SEC did not object to the motion and no oppositions were filed. On February 13, 2021, the Receiver filed a clawback complaint against 20 sales agents and their corresponding 17 corporate entities for the recovery of commissions paid for the sale of EquiAlt debentures in the total amount of \$18,934,950. The Receiver proceeded with filing this complaint to avoid any possible statute of limitations concerns. A copy of the statement summarizing the Receiver's services rendered for this project from January 1, 2021 through March 31, 2021 is attached as <u>Exhibit</u> <u>4</u>. The Receiver's time and fees for services rendered for each Activity Category are as follows:

II. <u>Guerra King P.A.</u>

The Receiver requests the Court award GK fees for professional services rendered and costs incurred from January 1, 2021 through March 31, 2021, in the amounts of \$111,566.50 and \$3,397.02, respectively. As an accommodation to the Receiver and to conserve the resources of the Receivership Estate, GK's attorneys and paralegals have agreed to reduce their standard rates as provided in the fee schedule attached as <u>Exhibit 5</u>. As shown in the fee schedule, GK agreed to limit its partner rates, which typically range from \$315 to \$475, to \$350 per hour and its associate rates, which range from \$235 to \$290, to \$240 per hour. Ex. 5. GK began providing services immediately upon the appointment of the Receiver. The activities of GK for the time covered by this Application are set forth in the Quarterly Status Report. *See* Doc. 319. GK has billed time for these activities in accordance with the Billing Instructions.

A. The Receivership.

As discussed above, the work of the Receiver and GK focused on investigating the fraud and related activities, locating and taking control of Receivership assets, investigating and pursuing additional assets for the Receivership, and analyzing investor information for the eventual claims process and litigation. A copy of the statement summarizing the services rendered and costs incurred by GK from January 1, 2021 through March 31, 2021, is attached as <u>Exhibit 6</u>. IV. <u>Yip Associates.</u>

The Receiver requests the Court award Yip fees for professional services rendered and costs incurred from January 1, 2021 through March 31, 2021, in the amount of \$170,256.50. Yip is a forensic accounting firm that specializes in insolvency and restructuring, Ponzi schemes, fraud investigations, insolvency taxation, business valuation, and litigation support. The firm is a leading boutique forensic accounting firm serving clients throughout the United States and abroad. Maria Yip, who founded the firm in 2008, has 27 years of experience in public and forensic accounting. Yip has been instrumental to the Receiver in investigating and analyzing the financial status of the Receivership Entities and the investment scheme at issue in this case. Additionally, Yip provides invaluable resources on the tracing of investor proceeds to various assets and properties. Further, Yip has substantially completed the process of gathering the investors' investments and distributions in order to initiate the claims process.

Ms. Yip is a partner in her firm and bills at \$495 per hour. Manager Christopher Cropley, Senior Associate Danny Zamorano, and Associate Renee Johnson continue to work diligently on this matter. Mr. Cropley has 12 years of experience and a billing rate of \$300, Mr. Zamorano has five years of experience and a billing rate of \$245, and Ms. Johnson has nine years of experience and a billing rate is \$195. Partner Kerry-Ann Rin, Director Hal Levenberg, and Associate Pamela Chuy also worked on this matter during this period. Ms. Rin, who has 15 years of experience, worked on this matter to assist Mr. Zamorano due to time constraints and billed at his billing rate of \$245, which is significantly discounted from her regular billing rate of \$400. Mr. Levenberg has 13 years of experience and will be taking over Mr. Zamorano's role in this case. Mr. Levenberg's billing rate is \$300, but he did not charge any fees for the nearly 12 hours he spent getting up to speed on this matter and transitioning the work. Ms. Chuy has 10 years of experience and a billing rate of \$195.

There were several days during this quarter where Yip professionals worked in excess of 12 hours per day in order to meet deadlines. As further accommodation to the Receiver, Yip agreed to cap billable hours to no more than 12 hours per day, resulting in an additional discount of \$9,150 for this quarter. Copies of the statements summarizing the services rendered and costs incurred for the pertinent period are attached as composite <u>Exhibit 12</u>. A summary of the professionals' hours rendered during the time covered by this Application is set forth below.

Yip has worked diligently on the investor analysis for purposes of both the investor clawback claims as well as the claims process. The efforts of Yip during this quarter (and the last quarter of 2020) have been intensive and directed at preparing an individual analysis of each of the over 1200 investors' transactions in the Ponzi scheme. These efforts have been complicated by the fact that the EquiAlt records are far from straightforward. In many cases, transactions must be evaluated and confirmed from bank records and other source documents. This analysis is critical to the Receiver's clawback efforts and will be invaluable during the claims process.

In addition to the evaluation of investors transactions, Yip prepared an analysis of the funds paid by the Ponzi scheme to numerous vendors and unregistered sales agents who are the subject of claims by the Receiver for the return of Receivership funds. While this work has been extensive, considering that the Receivership involves a business that raised over \$180 million and operated for over nine years, the scope of the work in the Receiver's experience is not unanticipated. With this work completed, the forensic expense should be significantly less in the second quarter of 2021, with future expenses being primarily related to litigation activities. Notably, the fees charged by Yip this quarter decreased throughout the quarter with January being the highest at \$111,546.50 and the two subsequent months

significantly less at \$36,693.50 and \$22,016.50, respectively.

For the Court's convenience, below is a summary of the work provided

by Yip during this billing period:

<u>January 2021</u>

- Continued preparation of investor analysis (summary of net winner investments and detailed schedules), including compilation and review of investor information, investment terms and investment history, and reconciliation of information obtained to bank activity of the Funds. February 2021

<u>March 2021</u>

V. <u>PDR CPAs.</u>

The Receiver requests the Court award PDR fees for professional

services rendered and costs incurred from January 1, 2021 through March 31,

2021, in the amount of \$11,639.42. PDR is an accounting firm that specializes

in tax matters and has extensive experience with the tax treatment of

settlement funds. PDR is assisting the Receiver with internal Receivership accounting, financial reporting, and tax preparation and filing. The Court approved hourly billing rates for PDR's professionals (Doc. 85). Later, at the request of the Court, the Receiver provided an estimate of anticipated monthly fees for PDR's services – \$15,000 for each of the first three months and \$6,000 per month thereafter. As shown by the statements attached as composite <u>Exhibit 13</u>, the fees sought for each month during this period are below the limitation. A summary of the professionals' hours rendered during the time covered by this Application is set forth below.

VI. <u>E-Hounds, Inc.</u>

The Receiver requests the Court award E-Hounds fees for professional services rendered and costs incurred from January 1, 2021 through March 31, 2021, in the amount of \$7,825.00.¹¹ E-Hounds is a computer forensics firm

¹¹ In March 2021, E-Hounds increased its rates for maintaining the review platform by \$100 per user seat due to increased costs. E-Hounds also increased rates for intake,

that assists the Receiver in securing and analyzing electronic data. E-Hounds has been instrumental in collecting and preserving all electronic records, including email records, GoDaddy records, and DropBox files as well as computer equipment. E-Hounds continues to update and maintain its proprietary review platform, which the Receiver's team is actively using. This quarter, E-Hounds also assisted the Receiver with collecting and preserving data from the Linode investor portal website. Additionally, E-Hounds aided the Receiver with collecting and indexing data from two EquiAlt domain email addresses maintained before the appointment of the Receiver. Copies of the statements summarizing the services rendered for the pertinent period are attached as composite <u>Exhibit 14</u>. A summary of the professionals' hours rendered during the time covered by this Application is set forth below.

Receivers in other cases in the Middle District have been awarded fees for computer forensic services at the same rates charged by E-Hounds. *See, e.g., SEC v. Oasis International Group Limited*, Case No. 19-cv-886-T-33SPF (motion at Doc. 203 and order approving at Doc. 207).

VII. <u>Freeborn & Peters LLP.</u>

The Receiver requests the Court award Freeborn fees for professional services rendered and costs incurred from January 1, 2021 through March 31, 2021, in the amount of \$3,277.50. The Court specifically appointed attorney Robert Stines of Freeborn & Peters LLP to aid the Receiver with technologyrelated issues that would necessarily arise with the Receivership. Mr. Stines has been practicing law for over ten years and is a certified IAPP U.S.-law privacy professional. His practice is focused on cyber law, electronic discovery, digital evidence, privacy and data security. He provides counsel and assistance to the Receiver related to EquiAlt's websites, investor portals, internet and email accounts, and encrypted data on servers and laptops. Mr. Stines works with E-Hounds to segregate and review potentially privileged data prior to allowing access to the Receiver's attorneys. Copies of the statements summarizing the services rendered for the pertinent period are attached as composite <u>Exhibit 15</u>. A summary of the professional's hours rendered during the time covered by this Application is set forth below.

VIII. <u>Baskin PLC.</u>

The Receiver requests the Court award Baskin fees for professional services rendered and costs incurred from January 1, 2021 through March 31, 2021, in the amount of \$22.50. EquiAlt's main office is located in Tampa, but individual Defendant Barry Rybicki ran part of the EquiAlt operations in Phoenix from both his home and an executive office space. Recognizing this, the Court approved the retention of Arizona counsel and investigators as the Receiver deemed necessary. The Receiver hired Baskin as local counsel to aid him with issues in Arizona related to Defendant Rybicki and other employees and sales agents located in Arizona, including the initial takedown of those offices.

Mr. Baskin has been practicing law for 30 years and is a former Senior Counsel at the Securities Division of the Arizona Corporation Commission and also worked for the Arizona Attorney' General's Office prosecuting securities and white-collar cases. A copy of the statement summarizing the services rendered and costs incurred for the pertinent period is attached as <u>Exhibit 16</u>. Baskin's Time and Fees for Services Rendered

MEMORANDUM OF LAW

It is well settled that this Court has the power to appoint a receiver and to award the receiver and those appointed by him fees and costs for their services. See, e.g., S.E.C. v. Elliott, 953 F.2d 1560 (11th Cir. 1992) (receiver is entitled to compensation for faithful performance of his duties); Donovan v. Robbins, 588 F. Supp. 1268, 1272 (N.D. Ill. 1984) ("[T]he receiver diligently and successfully discharged the responsibilities placed upon him by the Court and is entitled to reasonable compensation for his efforts."); S.E.C. v. Custable, 1995 WL 117935 (N.D. Ill. Mar. 15, 1995) (receiver is entitled to fees where work was of high quality and fees were reasonable); S.E.C. v. Mobley, 1317RCC, 2000 WL 1702024 (S.D.N.Y. Nov. 13, 2000) (court awarded reasonable fees for the receiver and his professionals); see also Doc. 11 ¶ 16.

The determination of fees to be awarded is largely within the discretion of the trial court. *See Monaghan v. Hill*, 140 F.2d 31, 34 (9th Cir. 1944). In determining reasonable compensation for the services rendered by the Receiver and his Professionals, the Court should consider the circumstances surrounding the Receivership. *See Elliot*, 953 F.2d at 1577.

In determining the reasonableness of fees, the Court must calculate the lodestar, which is the "number of hours reasonably expended on the litigation multiplied by a reasonable hourly rate." Hensley v. Eckerhart, 461 U.S. 424, 433 (1983). This is in part based on the nature and extent of the services rendered and the value of those services. See Grant v. George Schumann Tire & Battery Co., 908 F.2d 874, 877-78 (11th Cir. 1990) (bankruptcy fee award case addressing the issue of attorney's fees generally before considering specific requirements in the bankruptcy context). Additionally, the Court should consider the twelve factors set forth in Johnson v. Georgia Highway Express, Inc., 488 F.2d 714 (5th Cir. 1974), a case involving an award of attorneys' fees under federal civil rights statutes, as incorporated by the Eleventh Circuit in *Grant*, a bankruptcy case, are as follows: (1) the time and labor required; (2) the novelty and difficulty of the questions presented; (3) the skill required to perform the legal services properly; (4) the preclusion of other employment by the attorney due to acceptance of the case; (5) the customary fee for similar work in the community; (6) whether the fee is fixed

or contingent; (7) time limitations imposed by the client or by the circumstances; (8) the amount involved and results obtained; (9) the experience, reputation, and ability of the attorney; (10) the undesirability of the case; (11) the nature and length of the professional relationship with the client; and (12) awards in similar cases. Based on the information provided herein as well as the Receiver's Fifth Quarterly Status Report, the Receiver believes that the Court when considering these factors and the work accomplished during this quarter of the Receivership will determine that the Receiver's motion for fees is reasonable and should be granted.

A receiver and the team he or she assembles is entitled to reasonable compensation and courts have looked at several factors in determining reasonableness: (1) the results achieved by the receiver; (2) the ability, reputation and other professional qualities of the receiver; (3) the size of the estate and its ability to afford the expenses and fees; and (4) the time required to conclude the receivership. *SEC v. W.L. Moody* & Co, 374 F. Supp. 465, 480-484 (S.D. Tex. 1974). In this case, the Receiver has continued his duties, investigating, locating, preserving and/or liquidating assets for the benefit of defrauded investors while also continuing to operate the Receivership Entities. This case involves over 1100 investors and over \$170 million in investments. The Receiver is responsible for the active management of over 300 properties, the assessment of pending construction and maintenance projects, as well as supervising employees and property managers.

Finally, the Receiver has sought to keep the EquiAlt investors up to date regarding the Court's progress through the Receivership website, allowing investors to register for information related to this matter. The Receiver and designated paralegals at GK and JCND also field telephone calls from investors and sales agents regarding the allegations in this case and the underlying investments.

Here, because of the nature of this case, it is necessary for the Receiver to employ attorneys and accountants experienced and familiar with financial frauds, federal receiverships, securities, banking, and finance. Further, to perform the services required and achieve the results obtained to date, the skills and experience of the Receiver and the Professionals in the areas of fraud, securities, computer and accounting forensics, and financial transactions are indispensable.

As discussed above, the Receiver, GK, and JCND have discounted their normal and customary rates as an accommodation to the Receivership and to conserve Receivership assets. The rates charged by the attorneys and paralegals are at or below those charged by attorneys and paralegals of comparable skill from other law firms in the Middle District of Florida and have been found reasonable by this Court in granting the Receiver's previous Applications for Fees. This case has been time-intensive for the Receiver and his Professionals because of the need to resolve many issues rapidly and efficiently. The attached Exhibits detail the time, nature, and extent of the professional services rendered by the Receiver and his Professionals for the benefit of investors, creditors, and other interested parties. The Receiver anticipates that additional funds will be obtained through the Receiver's negotiations or litigation with third parties.

Although the SEC investigated and filed the initial pleadings in this case, as directed by the Order Appointing Receiver (see, e.g., Doc. 11 ¶¶ 2, 4), the Receiver is now involved with the investigation and forensic analysis of the events leading to the commencement of the pending action, the efforts to locate and gather investors' money, the determination of investor and other creditor claims and any ultimate payment of these claims. While the Receiver is sensitive to the need to conserve the Receivership Entities' assets, he believes the fees and costs expended to date were reasonable, necessary, and benefited the Receivership. Notably, the Commission has no objection to the relief sought in this motion. S.E.C. v. Byers, 590 F. Supp. 2d 637 (S.D.N.Y. 2008) (quoting S.E.C. v. Fifth Ave. Coach Lines, Inc., 364 F.Supp. 1220, 1222 (S.D.N.Y.1973) ("[I]n a securities receivership, '[o]pposition or acquiescence by the SEC to the fee application will be given great weight.").

CONCLUSION

Under the Order Appointing Receiver, the Receiver, among other things, is authorized and empowered to engage professionals to assist him in carrying out his duties and obligations. The Order Appointing Receiver further provides that he apply to the Court for authority to pay himself and his Professionals for services rendered and costs incurred. In exercising his duties, the Receiver has determined that the services rendered and their attendant fees and costs were reasonable, necessary, advisable, and in the best interests of the Receivership.

WHEREFORE, Burton W. Wiand, the Court-appointed Receiver, respectfully requests that this Court award the following sums and direct that payment be made from the Receivership assets:

| Burton W. Wiand, Receiver | \$37,836.00 |
|-----------------------------------|-----------------|

To the best of the Receiver's knowledge, information, and belief formed after reasonable inquiry, the Application and all fees and expenses herein are true and accurate and comply with the Billing Instructions provided to the Receiver by the Securities and Exchange Commission.

All fees contained in the Application are based on the rates listed in the fee schedule, attached as Exhibit 5. Such fees are reasonable, necessary, and commensurate with (if not below the hourly rate that is commensurate with) the skill and experience required for the activity performed.

The Receiver has not included in the amount for which reimbursement is sought the amortization of the cost of any investment, equipment, or capital outlay (except to the extent that any such amortization is included within the permitted allowable amounts set forth in the Billing Instructions for photocopies and facsimile transmission).

To the extent the Receiver seeks reimbursement for any service which the Receiver justifiably purchased or contracted for from a third party (such as copying, imaging, bulk mail, messenger service, overnight courier, computerized research, or title and lien searches), the Receiver has requested

38

reimbursement only for the amount billed to the Receiver by the third-party vendor and/or paid by the Receiver to such vendor. The Receiver is not making a profit on such reimbursable services.

The Receiver believes that the fees and expenses included in this Application were incurred in the best interests of the Receivership Estate. With the exception of the Billing Instructions and the Court-approved engagements described above, the Receiver has not entered into any agreement, written or oral, express or implied, with any person or entity concerning the amount of compensation paid or to be paid from the Receivership Estate, or any sharing thereof.
