sale of real property located in Tampa Florida, 33606 at the following street addresses: 209 Columbia Drive; 212 Columbia Drive; 214 Columbia Drive; 225 Danube Drive; and 64 Davis Boulevard (collectively, the “**Properties**”). The buyer of the Properties is Niki Patel (the “**Buyer**”), and the purchase price is \$7,300,000. A copy of the Purchase and Sale Agreement with Addendum is attached as **Exhibit 1** (the “**Contract**”). The original Motion was filed on January 20, 2022 (Doc. 470). This Amended Motion is being filed to correct an error in the legal description of the Properties. Selling the Properties in the manner described in this motion will result in a fair and equitable recovery for the Receivership Estate.

BACKGROUND

At the request of the Securities and Exchange Commission (“**SEC**”), the Court appointed the Receiver on February 14, 2020 and directed him, in relevant part, to “[t]ake immediate possession of all property, assets and estates of every kind of the Corporate Defendants and Relief Defendants,” which includes “all real property of the Corporate Defendants and Relief Defendants, wherever situated, and to administer such assets as is required in order to comply with the directions contained in this Order.” Doc. 6 (the “**Order**”) at 73, ¶ 1. The Court also ordered that “[t]itle to all property, real or personal, all contracts, rights of action and all books and records of the Corporate Defendants and Relief Defendants and their principals wherever

located within or without this state, is vested by operation of law in the Receiver.” Doc. 6 at 77, ¶ 17.

The Order also directs the Receiver to “[m]ake or authorize such payments and disbursements from the funds and assets taken into control, or thereafter received by the Receiver, and incur, or authorize the incurrence of, such expenses and make, or authorize the making of, such agreements as may be reasonable, necessary, and advisable in discharging the Receiver’s duties.” Doc. 6 at 75, ¶ 8.

The Procedures Applicable to Sales of Real Property

The procedures applicable to private sales of receivership real estate are set forth in 28 U.S.C. § 2001(b) (“**Section 2001(b)**”) ²:

After a hearing, of which notice to all interested parties shall be given by publication or otherwise as the court directs, the court may order the sale of such realty or interest or any part thereof at private sale for cash or other consideration and upon such terms and conditions as the court approves, if it finds that the best interests of the estate will be conserved thereby. Before confirmation of any private sale, the court shall appoint three disinterested persons to appraise such property or different groups of three appraisers each to appraise properties of different classes or situated in different localities. No private sale shall be confirmed at a price less than two-thirds of the appraised value. Before confirmation of any private sale, the terms thereof shall be published in such newspaper or newspapers of general circulation as the court directs at least ten days before confirmation. The private sale shall not be confirmed if a bona fide offer is made,

² Section 2001(b) governs here because this is a private sale of real property and because 28 U.S.C. §§ 2001(a) and 2004 deal with public auctions and personal property, respectively.

under conditions prescribed by the court, which guarantees at least a 10 per centum increase over the price offered in the private sale.

28 U.S.C. § 2001(b).

The Receiver can move the Court to waive strict compliance with these procedures, but as explained below, the Receiver has substantially and materially complied with the statute.

The Properties, the Receiver's Marketing Efforts, and the Proposed Sale

EquiAlt Fund, LLC and EquiAlt Fund II, LLC, Receivership entities, owned the Properties until the Order appointed the Receiver, who took title to the Properties. The Properties were purchased with scheme proceeds – i.e., money contributed to the scheme by victim investors. The Properties are located on Davis Island and consist of five distinct multi-family housing buildings. Each Property has different combinations of individual units of various size and description, which are described in greater detail below. The Properties are currently tenant occupied and thus generate rental revenue for the Receivership. The Receiver has determined that selling the Properties at this time is in the best interest of the Receivership.

In order to publicize the sale of the Properties, they were listed on Multiple Listing Service (“MLS”), the industry standard listing service for real

estate professionals, and Zillow, the popular real estate listing website.³ MLS listings reach essentially every real estate broker and agent in the United States, and Zillow is the most visited real estate website in the United States. As indicated in the previous footnote, the Properties were listed as individual buildings. However, the Receiver has secured a buyer to purchase all of the Properties in one transaction. The Receiver received numerous offers on the Properties and believes the transaction described in this motion is the most beneficial to the Receivership Estate.

In compliance with Section 2001(b), the Receiver obtained valuations from three disinterested sources (collectively, the “**Valuations**”), which are attached as **Exhibits 2–16**. According to the Valuations, a reasonable, fair market value for the Properties is between \$5,100,679 and \$7,097,000. The \$7,300,000 sale price exceeds this range. The sale of the Properties would constitute a \$7,300,000 gross recovery for the Receivership Estate. In

compliance with Section 2001(b), the sale price of \$7,300,000 is substantially greater than two-thirds of the average of the Valuations — \$4,228,886.

The Properties are free of any significant liens or encumbrances, such as a mortgage. Should any administrative liens be discovered during a title search, they will be resolved routinely at closing.

Section 2001(b) Publication

To satisfy the publication requirement of Section 2001(b), the Receiver has arranged for the terms of the sale to be published for one day in the Tampa Bay Times, which is regularly issued and of general circulation in the district where the Properties are located. A copy of the notice of sale is attached as **Exhibit 17**. The Receiver will also publish this motion and the notice on his website — www.equialtreceivership.com. After the 10-day period for the submission of “bona fide offers” expires, the Receiver will inform the Court whether any potential purchaser submitted a “bona fide offer” as contemplated by Section 2001(b). In the absence of such an offer, the Receiver submits that approval of the proposed sale pursuant to the Order and Section 2001(b) is commercially reasonable, fair and equitable, and will ensure a cost-effective recovery for the ultimate benefit of the Receivership Estate. Should a “bona fide offer” be received, the Receiver will so advise the Court and recommend appropriate steps in response thereto.

ARGUMENT

The Court's power to supervise an equity receivership and to determine the appropriate actions to be taken in the administration of the receivership is extremely broad. *S.E.C. v. Elliott*, 953 F.2d 1560, 1566 (11th Cir. 1992); *S.E.C. v. Hardy*, 803 F.2d 1034, 1038 (9th Cir. 1986). The Court's wide discretion derives from the inherent powers of an equity court to fashion relief. *Elliott*, 953 F.2d at 1566; *S.E.C. v. Safety Finance Service, Inc.*, 674 F.2d 368, 372 (5th Cir. 1982). A court imposing a receivership assumes custody and control of all assets and property of the receivership, and it has broad equitable authority to issue all orders necessary for the proper administration of the receivership estate. *See S.E.C. v. Credit Bancorp Ltd.*, 290 F.3d 80, 82-83 (2d Cir. 2002); *S.E.C. v. Wencke*, 622 F.2d 1363, 1370 (9th Cir. 1980). The court may enter such orders as may be appropriate and necessary for a receiver to fulfill his duty to preserve and maintain the property and funds within the receivership estate. *See, e.g., Official Comm. Of Unsecured Creditors of Worldcom, Inc. v. S.E.C.*, 467 F.3d 73, 81 (2d Cir. 2006). Any action taken by a district court in the exercise of its discretion is subject to great deference by appellate courts. *See United States v. Branch Coal*, 390 F.2d 7, 10 (3d Cir. 1969). Such discretion is especially important considering that one of the ultimate purposes of a receiver's appointment is to provide a method of gathering, preserving, and ultimately liquidating assets to return funds to creditors. *See S.E.C. v. Safety*

Fin. Serv., Inc., 674 F.2d 368, 372 (5th Cir. 1982) (court overseeing equity receivership enjoys “wide discretionary power” related to its “concern for orderly administration”) (citations omitted).

Given these principles, the Court should approve the proposed sales for at least five reasons. First, the Receiver is complying with Section 2001(b). Specifically, he obtained the Valuations, and the total sale price exceeds the range of the estimates disclosed in those valuations. *See* Exs. 2–16. Section 2001(b) provides that “[n]o private sale shall be confirmed at a price less than two-thirds of the appraised value” — here, \$4,228,886 based on the average of the Valuations. The \$7,300,000 sale price for the Properties is well above that amount.

The Receiver has arranged for a notice of the proposed sales and their terms to be published in the Tampa Bay Times. *See* Ex. 17. After the expiration of the 10-day statutory window, the Receiver will advise the Court whether any individual or entity submitted a “bona fide offer” — i.e., an offer 10% higher than the current sale price. If no one objects to this motion or submits a “bona fide offer,” to conserve resources, the Receiver asks that the Court grant the motion without a hearing.

Second, as noted above, the sale price represents a gross recovery of \$7,300,000 for the benefit of the Receivership Estate, and ultimately its creditors, including the victim investors. Third, the Receiver’s independent

evaluation of the transaction demonstrates that it is commercially reasonable. The Receiver is not aware of any other association between the Receivership entities and the Buyer. As such, this is an arm's-length transaction. Fourth, the existence of a ready-and-willing buyer ensures an efficient and cost-effective recovery for the Receivership Estate, and in the Receiver's opinion, the sale price is at or near the maximum price that can be anticipated for the sale of the Properties. Fifth, selling the Properties will eliminate the Receiver's need to pay for additional upkeep and carrying costs, including taxes, insurance, utilities, and repairs. If required to hold the Properties, the Receivership would incur approximately \$145,000 per year⁴ maintaining and safeguarding the Properties. By selling the Properties, the Receiver will avoid those costs.

CONCLUSION

For the reasons discussed above, this transaction is commercially reasonable, fair and equitable, and will ensure a cost-effective recovery for the ultimate benefit of the Receivership Estate. As such, the Receiver requests an order (1) approving the transaction and the Contract and (2) ordering that the

⁴ This cost includes estimates for utilities, insurance, HOA fees, routine maintenance, and taxes. This cost does not account for the rental income generated from the long-term rental business activities or repairs at the Properties.

Receiver may transfer title to the Properties by Receiver's Deed to the Buyer, free and clear of all claims, liens, and encumbrances.

Communications with underwriters and title counsel have indicated that including the legal description in the Court's order could promote quicker closings and avoid potential questions about the chain of title in an abundance of caution. As such, if the Court grants this motion, the Receiver asks the Court include the legal description for the Properties in the order granting this motion. The legal descriptions of the Properties are as follows:

WHEREAS, the Buyer desires to purchase the Property and Seller desires to sell the Property, all on the terms and conditions hereinafter set forth.

NOW THEREFORE, in consideration of the mutual covenants set forth herein and other good and valuable consideration, the Parties agree as follows:

AGREEMENT

1. Property: The Seller agrees to sell and convey, and Buyer agrees to purchase and pay for, all pursuant to the terms and conditions hereinafter set forth, the Property consisting of all of Seller's right, title, and interest in and to the Property, more particularly described on Exhibit "A" attached hereto. The Property shall include all appurtenant rights, privileges, and easements, all buildings and improvements, free from all encumbrances whatsoever, except restrictions and easements of record, zoning ordinances, and taxes and assessments, both general and special, not currently due and payable. PROPERTY SOLD "AS IS".

2. Purchase Price & Contingencies: The Purchase Price shall be Seven Million Three Hundred Thousand Dollars (\$7,300,000).

This Agreement is contingent upon (1) compliance with the publication procedures required by 28 U.S.C. § 2001(b), and (2) the non-receipt by Seller of a bona fide offer, under conditions prescribed by the Court, as described in 28 U.S.C. § 2001(b) (a "Bona Fide Offer"). Buyer understands and acknowledges that 28 U.S.C. § 2001(b) prohibits the Court's approval and confirmation of the transaction contemplated by this Agreement if Seller receives a Bona Fide Offer. As such upon receipt of a Bona Fide Offer, Seller shall provide the Buyer with 10 days' notice of such offer prior to filing a motion with the Court to approve any transaction. Buyer shall have the opportunity to make a competitive offer and the Seller agrees to recommend the acceptance of Buyer's equal or better offer to the Court absent any material deficiencies in Buyer's offer. Should the Seller or the Court determine that a Bona Fide Offer is superior to any final offer of the Buyer, Seller may terminate this agreement and the Buyer's exclusive remedy for such termination is limited to the return of its Earnest Money Deposit, as defined and set forth below. If the Seller does not receive a Bona Fide Offer after compliance with the publication procedures required by 28 U.S.C. § 2001(b), this Agreement is further contingent upon Seller obtaining an Order in substantially the form as Exhibit "B" attached hereto (the "Order") approving: (1) the sale of the Property described in Exhibit "A" to Buyer free and clear of all liens, claims, encumbrances, and restrictions as provided for in the order of the United States District Court approving this transaction and (2) Buyer's quiet enjoyment of all assets assigned to and assumed by Buyer (collectively, the "Contingencies").

In the event that Seller receives a Bona Fide Offer or the Court does not approve of the sale of the Property, i.e., if the Contingencies are not satisfied on or before the Closing Date, Buyer acknowledges and agrees that its sole and exclusive remedy is to seek return of the Earnest Money Deposit, as defined below, from Seller. **This Agreement, when duly executed by the Parties, constitutes the express waiver in writing of any other remedy, whether legal or equitable, that may be available to the Buyer.**

3. Escrow Agent and Earnest Money Deposits: Najmy Thompson, P.L 1401 8th Ave W,

Bradenton, FL 34205 shall serve as the Escrow Agent. Within three (3) business days after full execution of this Agreement by the Parties, the Buyer shall deposit the sum of Two Hundred Fifty Thousand Dollars (\$250,000) in readily available funds as an earnest money deposit ("Earnest Money Deposit") into the IOTA trust account of Najmy Thompson, P.L. This agreement shall not be binding on the Seller until the Earnest Money Deposit is made. The Earnest Money Deposit shall only be refundable if the United States District Court refuses to approve the motion for sale, if the United States District Court approves the sale of the Property to a competing bidder or pursuant to the terms of paragraph 10 hereof.

The Earnest Money Deposit shall be credited at Closing towards the Purchase Price to be paid to Seller by Buyer for the Property under the terms of this Agreement. The terms of this Agreement shall serve as the escrow instructions for this transaction.

4. Conditions of Escrow: Seller shall, on or before the date of Closing, make reasonable efforts to obtain approval from The United States District Court, Middle District of Florida to sell the Property pursuant to the terms of this Agreement. After the satisfaction of the contingencies in this Agreement if the Buyer withdraws from this Agreement prior to the approval of the sale, or if the Court approves the sale of the Property pursuant to the terms of this Agreement and the Buyer fails to perform under this Agreement except as to any rights the Buyer may have under paragraph 10, the Earnest Money Deposit shall be delivered immediately to Seller as liquidated damages for Buyer's failure to perform. In the event that the Court fails to approve this Agreement or the Buyer terminates the Agreement solely as provided for in paragraph 10, this Agreement shall be null and void and of no further force and effect and neither Seller nor the Buyer shall have any further obligations hereunder to the other and the Earnest Money Deposit shall be delivered immediately to Buyer. Should Seller fail to perform any obligation under this Agreement for any reason, the **Buyer's sole remedy shall be to seek return of all funds deposited in connection with this Agreement.**

5. No Financing Contingency: Buyer agrees that there shall be no financing contingency associated with this Agreement. Buyer agrees that this is an ALL CASH purchase and there shall be no financing contingency. Buyer shall supply Seller with proof of purchasing funds within three (3) business days after full execution of this Agreement by the Parties.

6. Closing and Closing Agent: Unless extended by mutual agreement of the Parties, Closing shall take place within thirty (30) days after The United States District Court, Middle District of Florida's approval of the sale, with Buyer to provide written notice specifying the actual closing date at least three (3) business days before such closing date. All funds and documents required to be deposited hereunder shall be deposited into escrow prior to Closing. The term "Closing" as used herein shall mean the date all contingencies provided in this Agreement shall be satisfied or waived by written instrument and the date the Receiver's Deed in substantially the form as Exhibit "B" attached hereto has been recorded. Najmy Thompson, P.L. shall serve as the Closing Agent.

7. Conveyance of Title: When the funds to be paid by Buyer together with all documents required to be deposited by Buyer pursuant to this Agreement have been deposited into escrow,

then Seller shall deliver into escrow title to the Property. Seller will convey title via Receiver's Deed in substantially the form as Exhibit "B" attached hereto.

8. Evidence of Title, Survey and Closing Costs: Buyer, at Buyer's cost and expense, may obtain evidence of title, a title abstract, title insurance and/or a survey of the Property. At Closing, Buyer shall pay: (i) all title examination fees; (ii) survey costs or any costs to update surveys; (iii) to update recording costs on documents necessary for Seller to clear title (to the extent such action is required); (iv) any premiums for a title insurance policy; (v) all transfer taxes payable in connection with the delivery for recording of any title transfer instrument or document by Seller provided in or contemplated by this Agreement; (vi) all charges for escrow services; (vii) all survey and appraisal costs; (viii) mortgage taxes (if any); (ix) the cost of any environmental reports; (x) all fees of the Closing Agent; and (xi) Buyer's legal, accounting and other professional fees and expenses and the cost of all certificates, instruments, documents and papers required to be delivered, or to cause to be delivered, by Buyer hereunder, including without limitation, the cost of performance by Buyer and the obligations hereunder.

At Closing, Seller shall pay: (i) Seller's legal, accounting and other professional fees and expenses and the cost of all certificates, instruments, documents and papers required to be delivered, or to cause to be delivered, by Seller hereunder, including without limitation, the cost of performance by Seller of its obligations hereunder.

Except as otherwise expressly provided for in this Agreement, Buyer shall be responsible for any and all other costs and expenses, regardless of custom or practice in the county where the Property is located, in connection with the consummation of this Agreement.

9. Condition of Premises and Inspection Period: Buyer acknowledges and agrees to purchase the property on an "As Is" "Where Is" basis, with all faults and without representations, express or implied, of any type, kind, character or nature, including but not limited to the suitability of the Property for any use, and without warranties, express or implied, of any type, kind, character or nature, including but not limited to, suitability of the Property for any use, and without recourse, express or implied, of any type, kind, character or nature. This Contract is not subject to any right of inspection by the Buyer and there is no Due Diligence period. Buyer accepts the properties "AS IS".

10. Damage or Destruction: In the event the Property, or any portion thereof, is damaged or destroyed by fire or other cause prior to the date of transfer of title, Buyer may declare this Agreement null and void or Buyer may complete the purchase and receive the proceeds from any insurance otherwise payable to or for the benefit of Seller with respect to such destruction, together with a credit against the purchase price for any "deductible" under such insurance. If Buyer declares this Agreement null and void due to damage or destruction as described in this Paragraph 10, the Earnest Money Deposit shall be delivered immediately to Buyer.

11. Taxes, Assessments & Utilities: Real Estate Taxes, assessments, if any, and any assessments, insurance premiums, charges, and other items attributable to the Property shall be prorated as of the date of Closing, based upon an actual three hundred and sixty five (365) day year,

as is customary. Meters for all public utilities (including water) being used on the Property shall be ordered read on the day prior to closing and all charges to said date shall be paid by Seller.

12. Real Estate Brokers: Seller and Buyer represent and warrant each to the other that they have not dealt with any real estate broker, sales person or finder in connection with this transaction, except for Tony Kelly of A Better Life Realty LLC (“**Seller’s Agent**”) and N/A (“**Buyer’s Agent**”). At Closing, Seller agrees to a One Percent (1.0%) commission Seller’s Agent pursuant to a separate written agreement by and between Seller and Seller’s Agent. Seller agrees to a Zero (0%) commission to Buyer’s Agent. In no event shall the total sales commission owed by the Seller exceed One Percent (1.0%) of the Purchase Price.

13. General Provisions:

Absorption rates (rates at which active listings are selling) for 2021 continue to be at record high levels and although third quarter had seen a leveling, rates spiked up in November meaning that homes are selling quickly (sellers market). Suggested As-Is List Price: \$ 1870000.00

Suggested As-Repaired Value: \$ _____

Must be completed on all non-HUD REO Assets (HUD assets do not require the 30 day value):

The Davis Islands Davis Boulevard Apartments Operating Results Highlights

The Davis Boulevard Apartments are located at Adriatic Avenue on the northern point of Davis Islands near its entrance from Hyde Park and Downtown Tampa. A detailed rent roll was not available for this analysis, however, it is assumed there are eight units (mix unknown). Based on 2020 reported Rent Revenue, including Airbnb accommodations, and assuming a 3% Economic Vacancy factor (Covid-19 notwithstanding), 2020 Avg Rents would have been roughly \$825, below Market Avg Effective Rents for a mix of one- and two-bedroom units. Our Pro-Forma Analysis assumes a potential 10% increase in Avg Rents, inflation factors 2020 reported Expenses, and adjusts R.E. Taxes based on projected Sales Price. 2020 reported Insurance appears understated, and does not include any premium for flood coverage.

This unique Tampa Davis Islands Offering of the Davis Boulevard Apartments in the heart of Tampa's Channel District features a projected 4.2% List Price Cap Rate based on NOI derived from (a) increased EGI resulting from enhancing current rents and other income by roughly 10%; (b) recent actual, and fully-budgeted pro-forma variable expenses; (c) adjusted real estate taxes based on List Price; and (d) inclusion of a 2.22% vacancy factor (assumes 3.5 weeks / unit / vacancy with 2.6 annual turnovers). Financing assumptions, based on current market conditions, suggest an initial equity down payment of roughly 52.5% may produce stabilized year-one current and total returns of 2.1% and 4.2%, respectively.

General Market Condition Comments:

Absorption rates (rates at which active listings are selling) for 2021 continue to be at record high levels and although third quarter had seen a leveling, rates spiked up in November meaning that homes are selling quickly (sellers market). That along with decreasing inventory of active listings continue to drive prices higher year over year. Hillsborough area like the state of Florida has seen a significant increase in population which is helping drive both the average sale price as well as expanding the rental market.

The Davis Islands Columbia Drive Apartments Operating Results Highlights

The Columbia Drive Apartments are located on the east side of Davis Islands a block from the Seddon Channel separating Davis Islands from Harbour Island in the heart of Tampa's popular Channel District. A detailed rent roll was not available for this analysis, however, it is assumed there are twelve units (mix unknown). Based on 2020 reported Rent Revenue, and assuming a 3% Economic Vacancy factor (Covid-19 notwithstanding), 2020 Avg Rents would have been roughly \$1,051, below Market Avg Effective Rents for a mix of one- and two-bedroom units. Our Pro-Forma Analysis assumes a potential 10% increase in Avg Rents, inflation factors 2020 reported Expenses, and adjusts R.E. Taxes based on projected Sales Price. 2020 reported Insurance appears understated, and does not include any premium for flood coverage.

This unique Tampa Davis Islands Offering of the Columbia Drive Apartments in the heart of Tampa's Channel District features a projected 4.2% List Price Cap Rate based on NOI derived from (a) increased EGI resulting from enhancing current rents and other income by roughly 10%; (b) recent actual, and fully-budgeted pro-forma variable expenses; (c) adjusted real estate taxes based on List Price; and (d) inclusion of a 2.22% vacancy factor (assumes 3.5 weeks / unit / vacancy with four annual turnovers). Financing assumptions, based on current market conditions, suggest an initial equity down payment of roughly 52% may produce stabilized year-one current and total returns of 1.9% and 4.1%, respectively.

Absorption rates (rates at which active listings are selling) for 2021 continue to be at record high levels and although third quarter had seen a leveling, rates spiked up in November meaning that homes are selling quickly (sellers market). That along with decreasing inventory of active listings continue to drive prices higher year over year. Hillsborough area like the state of Florida has seen a significant increase in population which is helping drive both the average sale price as well as expanding the rental market.

212 Columbia Dr and Sold Comparable Operating Results Highlights

212 Columbia operates as a long-term Multifamily rental, offering purchasers a well-maintained duplex that has been renovated, provides stable cash flow with an occupancy rate of 100%. Rental rates of subject property are deemed to be at market value. Sold comparable properties both are larger in size and each unit has two bathrooms instead on one bathroom as subject property. These variables allow comparable properties to generate more revenue. The difference in price between subject property and sold comparable is 14.3% to 16.3%, while the difference in gross annual income using my Pro-Forma analysis is 9% to 14%. Rent roll and Income statement of comparable properties was not available for this analysis, these are crucial metrics to determine NOI and Cap Rate.

General Market Condition Comments:

Absorption rates (rates at which active listings are selling) for 2021 continue to be at record high levels and although third quarter had seen a leveling, rates spiked up in November meaning that homes are selling quickly (sellers market). That along with decreasing inventory of active listings continue to drive prices higher year over year. Hillsborough area like the state of Florida has seen a significant increase in population which is helping drive both the average sale price as well as expanding the rental market.

Suggested As-Is List Price is the most probable price in which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby: (1) buyer and seller are typically motivated; (2) both parties are well informed or well advised, and each acting in what he considers his own best interest; (3) a reasonable time is allowed for exposure in the open market; (4) payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and (5) the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale.

Suggested As-Repaired Value: \$ _____

Must be completed on all non-HUD REO Assets (HUD assets do not require the 30 day value):

No prior MLS listings.

Public records shows this quadraplex as a 2 bed with 1 bath. There are no prior MLS listings to verify the bed/bath counts of the units. Zillow has record of two of the units, showing one of them as 2/1 with 900 sf and another one with 1/1 with 650 sf. A third unit does not reference bed count and says it is 650 square feet. With a total square footage of 2772 per public records, the fourth unit would be 572 square feet. Zillow isn't an accurate record though and was used due to lack of resources. Due to a lack of truly comparable homes, I used a map search that included Davis Island (the neighborhood where the subject is located) as well as South Tampa (South of Kennedy Blvd to North of Gandy Blvd). These two areas are very comparable overall despite being several miles apart at places. In addition, due to lacking ample multi-family units in this area, I compared it to other homes of similar square footage and found some with multiple units.

VII. LIST PRICE

Suggested As-Is List Price is the most probable price in which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby: (1) buyer and seller are typically motivated; (2) both parties are well informed or well advised, and each acting in what he considers his own best interest; (3) a reasonable time is allowed for exposure in the open market; (4) payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and (5) the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale.

Suggested As-Is List Price: \$ 920000.00

Suggested As-Repaired Value: \$ _____

Must be completed on all non-HUD REO Assets (HUD assets do not require the 30 day value):

30-Day As-Is Value: \$ 918000.00

30-Day As-Repaired Value: \$ _____
